To whom it may concern,

In late December last year, I used Martin Smith and his team from Arborfield Tree Care to remove a very tall pine tree from my drive. I must say how very pleased I was with the work they did and the way in which they carried it out. They arrived on time, worked efficiently as a team and removed the tree carefully, lowering large sections cautiously to prevent local damage. They completed the work in the stated time, cleared the wood, and swept the surrounding area. They were a cheerful team at all times, and I have no hesitation in recommending them wholeheartedly, as reliable and competent at the work they undertake.

Yours faithfully,
